Hotel water parks have grown in popularity in recent years, allowing guests to enjoy all the thrills and entertainment of a water park without leaving the comfort of their hotel. We've selected 10 hotels from around the world boasting the most fantastic water slides onsite. Offering a great time for children and adults alike, these water slides soar over stunning beaches and through aquariums packed with exotic marine life. From Budapest to the Bahamas, whether speeding down a reconstructed Mayan temple or enjoying twists and turns through tropical landscaped gardens, guests are unlikely to forget the adventures they'll have at any of these wild water park resorts.
